David,

We sent this letter out in October 2017. We were scheduling consultation when EPA received an intent to sue from the Menominee Tribe. We had a pre-consultation call, and we reached out to the tribe to schedule consultation. Nothing has been scheduled yet.

Let me know if you have any questions,

Hi Melanie,

Maybe you should have been on this list. I do not recall you doing a consultation but I see you are on Darrel's list.

Enclosed is the chart for the next 6 month planned consultations, 4/1/18 – 9/30/18. It's a bit early this time per TIAO's request. Please add any new or anticipated consultations for the next six months under the brown banner.

Anything under the green banner can be moved to the next six months, removed or edited as you see appropriate.

A few on-going consultations are also included.

Please let me know of your changes by COB February 2, 2018.

And please forward to anyone you think might be thinking about a future consultation that I may have missed.
